

NOW is the time to build a business after 50! But...

...time is running out to register for the *free* **Encore Entrepreneur Roundtable!**

Consider this:

- Those aged 55-64 in the US have had the highest rate of entrepreneurial activity in the last 10 years. –Business Insider & Kaufmann Foundation
- Additionally, 43% of those over 50 felt they were ready to be their own boss and 42% wanted to pursue their passion.

And the numbers are growing!

Do you have an entrepreneurial idea burning to become reality?

Are you in the early phases of building your business and seek guidance and resources?

Then you'll want to be here! Join us **Thursday, August 30, 2018**, from 4:30 to 6:30 PM at the Fairview Heights Municipal Building in the Recreation Room.
